University student, Uehara Yuuji, is an earnest guy with slight masochistic tendencies♥ and he happens to be totally in love with the cold, bespectacled Tatsukawa-sensei.

Ever since he first spotted the Sensei, he's confessed his feelings time and time again, only to have the antisocial Tatsukawa-sensei refuse every time.

"That's it! If I'm not human, he'll fall in love with me!★"

Sensei then orders the dog-cosplaying Yuuji to do what?

In addition to this story, Goshujinsama to Wanko overflows with love and sex! An ample collection of full fan-service from Sakira♥!

あとがき afterword

Konnichiwa! I'm Sakira
In stark contrast to my book, I sometimes suffered through long slumps. During that time, I slowly accumulated enough drawings to create my comics! Yay~ I'm so happy! I'm going to eat shabu-shabu to celebrate. Once a month I treat myself in celebration of finishing my work. Once the deadlines loom, I give it my all. My mantra is "I wanna eat meat!"

While writing a manuscript, it's a good therapy to play exclusively with guinea pigs. Moruga-chan is an English and Poyon-chan is a Coronet. Their tailless bottoms are so perfectly round. I'm sure they must be stuffed with marshmallows! After being overly-healed, I worry that my homo-erotic fantasies will be purified too. I'm already a devout follower of the guinea pig faith.

This book seems to feature many younger semes. The first original yaoi I drew during my college years had a cute, little boy seme and a macho uke. The second and third did too... In short, I love it. The little dude does his best and Mr. Macho is moved. Breasts are rubbed. Nipples are sucked. I went to rub them too... Sakira is half-guinea pig love and half-moe about breasts.

Thank you very much.
This is the afterword.
